THE SOUND OF CONVERSATION

Pecha Kucha Night

20x20 at 20:20

ペチャクチャ,

Pecha Kucha Night was designed by designers in 2003 as a place for (you guessed it) designers to meet, network, and show their work in public. Pecha Kucha is now happening in 143 locations globally. The San Diego Architectural Foundation is pleased to have been selected as an official chapter of PKN.

"Pecha Kucha" is derived from a Japanese term meaning the sound of conversation, or chit-chat. Pecha Kucha Nights are creative, social and informal. The concept is simple: each presenter is allowed 20 images, each shown for 20 seconds – giving 6 minutes 40 seconds of floor time before the next presenter is up. Then there's the 20 rules. Our favorite? Pecha Kucha Night is about thinking and drinking. It all makes for stimulating, succinct and often striking presentations from the design, architecture, photography, art and creative fields. Let us know if you have a 20x20 presentation up your sleeve. And by all means, please come join the join us on April 20 for a celebration of our second Pecha Kucha conversation!

The San Diego Architectural Foundation is a 501c3 non-profit organization. [www.sdarchitecture.org](http://www.sdarchitecture.org)
